BCN Brew Pact ■

This document certifies that the undersigned has officially joined the **BCN Brew Pact** — a sacred and noble agreement among tea and coffee enthusiasts alike. By signing this pact, you hereby agree to: • **Share the brew duties equally** — everyone takes their turn, no sneaky dodging.

• **Respect each person's brew preferences** — milk, sugar, strong, weak, or builder's brew, it's all valid.

• **Maintain the rotation order** — no queue-jumping unless approved by the Brew Council.

• **Spread joy through hot beverages** — for caffeine, camaraderie, and good vibes only.

• **Skip Rule:** If someone wishes to skip their turn in the rotation, they may simply be skipped that round — no penalties, just peace and tea (or coffee).

• **Leaving Clause:** Anyone wishing to leave the Brew Pact must provide a minimum of **one week's notice** to ensure a smooth transition of brewing duties.

Together, we uphold the spirit of fair brews, balanced beans, and even kettle boils.
